

Dear CPS Families:

Students who received Pandemic-EBT (P-EBT) in the past or were approved for free or reduced-price meals under the National School Lunch Program, will be eligible to receive P-EBT this summer.

P-EBT funds help you buy food for your student and family. It is important to stay healthy this summer, especially as we start to recover from the COVID-19 pandemic.

***How will I get Summer P-EBT?***

- **If you got P-EBT in the past:** Check the EBT or P-EBT card you already have for funds. **If you do not have your P-EBT card, request a new one at [MAp-EBT.org](https://www.mapebt.org).** P-EBT cards are **only** available by mail.
- **If you are new to P-EBT:** Check your mail for a P-EBT card or look for funds on the EBT card you already have.
- **If you have questions about P-EBT:** Call the Department of Transitional Assistance helpline at: 877-382-2363.

If needed, the CPS Food & Nutrition Office can provide a copy of the letter you previously received stating your student(s) qualified for free or reduced-priced meals. Please call the Food & Nutrition Office at 617-349-6858, stating your student(s)' name, and an email address to send a copy of the letter to.
