ARTICLE 1
RECOGNITION CLAUSE

The Cambridge School Committee hereinafter referred to as "Committee" recognizes the Professional Safety Specialists Association hereinafter referred to as the "Association" for the purpose of collective bargaining as the exclusive representative of the Association consisting of all regularly appointed Professional Safety Specialists of the Cambridge School Department. The group will be known as the Professional Safety Specialists Association (P.S.S.A.).

There shall be two units:

- (1) the Safety Specialists; and
- (2) the Liaison Coordinators.

ARTICLE 2
BARGAINING PROCEDURE

- A. Not later than April 1st of the contract year in which this Agreement expires, the Committee agrees to enter into negotiations with the Association over a successor agreement in accordance with the procedure set forth herein in good faith effort to reach agreement concerning safety employees' wages, hours, and other conditions of their employment. Any agreement so negotiated will apply to all P.S.S.A. members and will be reduced to writing and signed by the School Committee and the Association.
- B. During negotiations, the Committee and the Association will present relevant data, exchange points of view, and make proposals and counter-proposals. The Committee will make available to the Association for inspection all pertinent public records of the school system. Either party may, if it so desires, utilize the services of an outside consultant and may call upon professional and lay representatives to assist in the negotiations.
- C. The Association and the Committee agree that each has a right to bargain for any provision that it wishes in the preparation of this contract. Each expressly waives the right to reopen the contract for any changes unless mutually agreed upon by the Association and the Committee.
- D. TERM OF CONTRACT. The terms and conditions of this contract shall be effective July 1, 2018 through June 30, 2021. It is further agreed that upon receipt prior to April 1, 2021 of written notice from the Association of its desire to negotiate a new contract, the new contract will begin on July 1, 2021. The contract may by mutual agreement be extended beyond July 1, 2021 if negotiations for a successor agreement have not been completed.

ARTICLE 3
GRIEVANCE PROCEDURES

The purpose of this procedure is to produce prompt and equitable solutions to those complaints, which, from time to time, may arise involving the wages, hours, or the conditions of

employment of the members.

The Committee and the Association desire that such procedure shall always be as informal and confidential as may be appropriate for the complaint involved at the procedural level involved.

Nothing herein shall prohibit a unit member from attempting to resolve complaints informally with his/her immediate supervisor prior to initiating the formal procedure set forth below.

A. DEFINITION:

A grievance shall mean a complaint that there has been as to a member a violation, misinterpretation or inequitable application of any of the provisions of this contract. As used in this Article the term "member" shall also mean a group of members having the same grievance. The Committee acknowledges the right of the Association to participate in the processing of any grievance at any level.

B. GRIEVANCE PROCESS:

Grievances shall be presented and adjusted in the following manner:

LEVEL ONE: All grievances will be filed and thoroughly discussed at this level. The grievance shall be filed in writing by the grievant and a representative of the Association with the grievant's supervisor.

The supervisor shall submit his written answer to the member and the Association within ten (10) days of the filing of the grievance.

LEVEL TWO: If the grievance shall not be disposed of thereunder to the member's satisfaction and the member and the Association shall have determined to proceed further, the member and a representative of the Association shall proceed further. The member and a representative of the Association shall present a written statement of the grievance to the Superintendent or his designee within five (5) business days of receipt of the supervisor's answer. The Superintendent or his designee shall meet with the members and a representative of the Association in an effort to settle the grievance.

The written answer of the Superintendent to the grievant and Association is due not later than twenty-five (25) business days after the filing of the grievance at this level.

Provided the parties agree, Level One and/or Level Two of the Grievance Procedure may be bypassed and the grievance brought directly to Level Three.

LEVEL THREE ARBITRATION: If a grievance involving the interpretation or application of any provision of this Agreement shall not have been disposed of under Level Two of the grievance procedure to the satisfaction of the member and the Association, the Association may, not later than twenty-five (25) business days next following receipt of response to the grievance under Level Two, initiate arbitration of the grievance under the rules then obtaining

of the American Arbitration Association. This initiation may also be made by submission under such rules. The arbitration shall proceed under such rules except that the parties, may, if they can, mutually designate the arbitrator.

The arbitrator shall be without power to modify, alter, add to, or subtract from the provisions of this contract. The arbitrator's award, if within his jurisdiction, shall be final and binding on both parties.

The fees of the American Arbitration Association and of the arbitrator and the expenses of the arbitrator and the conduct of the hearing shall be shared equally by the parties but each party shall bear its own expenses for the presentation of its case.

Arbitration pursuant to this Article shall be the exclusive remedy available to members and the Association in the event that a grievance is not disposed of under the Grievance Procedure.

The School Committee will make available relevant existing information needed to process a grievance.

Each written statement of a grievance shall include: (1) a concise statement of the facts constituting the grievance; (2) a reference to the applicable provisions of this contract; (3) the date upon which the act or omission giving rise to the grievance occurred, and if applicable, the later date upon which the member should not be held to have learned of the same and a concise statement of the reasons why the member should not be held to have learned of the same earlier; and (4) the dates of all prior written presentations, if any. Each statement under Level One or Two shall be signed on behalf of the Association by its President or his/her designee.

A grievance must be submitted within twenty (20) calendar days after the event. When a grievant and the Union can establish the fact that neither could reasonably be expected to know of the grievable event, the twenty (20) days shall run from the date that the grievant or Association first knew or had reason to know of the act or omission giving rise to the grievance. The burden of establishing that the grievant and/or Association could not have reasonably been expected to know of the act or omission shall be upon the grievant and the Association.

Failure by the person to whom presented to make a determination with respect to a grievance by the time limit indicated shall be deemed a denial of the grievance.

Any grievance pending at the conclusion of the contract will remain operative in the subsequent contract period unless settled in negotiations.

Failure to present a proper written statement within the applicable time limit shall be deemed a waiver of the grievance. Time limits may be extended by mutual agreement in writing.

Times for meetings to discuss grievances shall be scheduled outside of school hours unless in

the judgment of the Superintendent or his designee in the case of a Level Two proceeding, or of the Committee, in the case of a Level Three proceeding, a meeting during school hours is desirable to facilitate the production of appropriate information.

Grievance hearings shall be held after school hours except when otherwise authorized by the Superintendent. Attendance shall be without loss of pay during regular hours.

The Association shall have the right to use in its presentation at any level of the grievance procedure representative(s) of its own choosing, in accordance with the following:

- Level 1 - One representative plus Association President
- Level 2 - Two representatives plus Association President
- Level 3 - Three representatives plus Association President

C. RECORDS:

While both parties may maintain files of grievances and the disposition thereof, the Committee shall not make any entry or file any paper in the personnel file of any employee involved in a grievance except as may be required to implement the disposition thereof.

D. REPRISALS:

No reprisal of any kind shall be taken by any party hereto against any person who participates in any way in grievance proceedings by reason of such participation.

E. PRECEDENT:

A written record shall be made of the disposition of any grievance at Level One or Two.

If such disposition becomes final by acceptance by the Association, such disposition shall apply to all future complaints based on the same or similar facts to the extent the written settlement so stipulates.

ARTICLE 4
DEDUCTIONS - UNION DUES

- A. The Committee agrees to deduct from the salary of its employees' dues for the Association or as said employees individually and voluntarily authorize the Committee to deduct and to transmit the moneys promptly to such Association. Employees' authorizations will be in writing in the legally permissible form provided by the Association.
- B. The Association will certify to the Committee in writing the current rate of its membership dues. If the Association changes the rate of its membership dues it must give the Committee thirty (30) days written notice prior to the effective date of such change.

- C. Deductions referred to in Section A above will be made in equal monthly installments during the school year.

This provision is contingent upon compliance by the Association with all of the requirements, including ratification requirements, set forth in the Massachusetts General Laws. The Association further agrees as a condition of this provision to admit to membership any members of the bargaining unit who may apply for membership and to indemnify and save the School Committee harmless for any action it may take pursuant to this provision, including any claims made against it by any employee, or group of employees.

The use of vacation days while school is in session will be scheduled with the approval of the Director of Safety to assure proper and adequate coverage.

The following provision shall be a Pilot Program that will be effective from July 1, 2018 through June 30, 2021. Whenever an employee covered by this contract is assaulted by a student or any other individual, a full and complete written report of the incidents will be forward to the Director of Safety and forwarded by him to the City Solicitor's Office. The incident report will be a detailed account of the assault which will include statements from the victim and/or witnesses.
- E. Notification that a claim has been filed will immediately be sent to the President of the Association. The victim will agree to fully cooperate with the City Solicitor's Office and/or any other governmental entity should it be necessary in the judgment of the Solicitor to prosecute in the criminal court or take action in a civil court. Given these conditions, the City Solicitor will vigorously pursue legal action against the student, parent and/or legal guardian, or any other individual.

Personal leave shall be granted for the purpose of transacting or attending to personal affairs and situations over which the applicant has no control.

Where the request for personal leave under this section would also constitute a qualifying reason for leave under the Massachusetts Small Necessities Leave Act, such leave will be designated as Small Necessities Leave. If such leave qualifies for SNLA leave, the School Committee will not prohibit the use of leave on the day before or the day after a holiday or school vacation period.

3. Time necessary for Association representatives to attend Association conferences, meetings or conventions, not to exceed two (2) days per year.
4. Additional unpaid time may be granted for valid reasons at the discretion of the Superintendent.

Employees shall further be entitled to leave without loss of pay for any period of time in which the Employee is required by reasons of his/her employment, to appear as a witness in any court proceedings arising out of litigation involving the School Committee, the City of Cambridge, its agents, servants or employees. If such court appearance occurs during an employee's vacation period, the employee shall not be charged for vacation time. This section shall not apply if such court proceedings involve litigation between the Employer and the Employee.

C. BEREAVEMENT LEAVE:

Leave of absence without loss of salary for not more than one (1) day shall be granted when such absence is occasioned by the death of a grandparent, grandchild, nephew, niece, aunt, uncle, son-in-law, daughter-in-law, sister-in-law, or brother-in-law whose place of residence was other than in the home of the staff member.

Upon the expiration of said leave, the employee shall be reinstated to her/his former position and department unless the position has been eliminated. Failure to return to work upon the expiration of said leave will result in termination unless the employee has received a written extension thereto from the Superintendent prior to the expiration date.
2. Except for the first thirty (30) days, the time taken for maternity/parenthood leave shall not accrue towards those benefits requiring certain periods of employment such as wage increments, vacation and sick leave, but the time taken for maternity leave shall not effect the employee's right to receive benefits for which she/he was eligible at the date of her/his leave.
3. Sick leave shall be available during periods of disability caused or contributed by pregnancy, miscarriage, abortion, childbirth and recovery there from in accordance with Article 17, Section 1.

If a substantially equivalent position does not exist, employment may be terminated.

2. All requests for extended leave of absence or renewals of leaves under this Article will be applied for in writing and will be subject to approval of the School Committee.
3. The School Committee agrees to abide by state law and MCAD (Massachusetts Commission Against Discrimination) guidelines currently in effect as of the date of the copying of this agreement with reference to Maternity Leave.
4. Any Safety Specialist on leave must notify the Superintendent or his/her designee of his/her intention to return from leave by April 15. Failure to do so will result in the Safety Specialist being automatically terminated. This provision does not apply to members on an FMLA-qualifying leave.
5. After five (5) years of continuous employment in the Safety Specialist Unit, a Safety Specialist may be granted a leave of absence without pay for up to two (2) years.

If during the term of the Agreement, new state or federal legislation becomes effective which allows any practice precluded by the preceding, the School Committee or the Association may reopen negotiations on this Article.

The Association and its members individually and collectively agree that if there is a violation of this clause, any individual violating this clause will, at the discretion of the Superintendent, be subject to disciplinary action, including discharge, suspension or complete loss of seniority, and the matter will be arbitrable. The individual or the Association may request a hearing before the School Committee on the matter.

Nothing in this Agreement shall be deemed to derogate from or impair any power, right or duty heretofore possessed by the School Committee or to change any rule or policy adopted prior to the date to the acceptance of this Agreement except where such right, power, duty rule or policy is specifically limited or changed by this contract. It is agreed that no member of the Association shall contract the School Committee concerning any matter covered by this Agreement without first bringing the matter to the attention of the Superintendent.

School Committee is a public body established under the statutes of Massachusetts and has final responsibility for establishing the policies of the public schools for management of said schools and for directing their operation.

The listing of the following specific rights of management in this Article is not intended to be nor shall be considered restrictive of or as a waiver of any of the rights of the Committee not listed herein. Among such responsibilities as are vested exclusively in the Committee or the Superintendent in accordance with the law are the following: the right to hire, promote, transfer, assign, schedule and retain employees in positions and to suspend, demote, discharge or take other disciplinary action against employees for just cause, to relieve employees from duty because of lack of work or other legitimate reasons, to determine the method, means and personnel by which such operations are to be conducted and to take whatever action may be necessary to carry out the work of the School Department in situations of emergency.

If the common outfit is lost, the employee will bear the cost of obtaining a replacement common outfit. If the common outfit is damaged, the Cambridge Public Schools will bear the cost of providing a replacement common outfit.

ARTICLE 33 DRUG AND ALCOHOL TESTING

The following procedures shall govern the administration of the drug and alcohol screening process by the administration/management of the Cambridge Public Schools among members of this Unit to test for unauthorized use of a controlled substance and/or alcohol.

Testing will be conducted on those individual employees where the facts are sufficient to constitute reasonable suspicion of unauthorized use of a controlled substance and/or alcohol. The Cambridge Public Schools shall have the right to require that the employee submit without delay to a urinalysis test and/or a breath alcohol test.

Reasonable suspicion shall be based on information of objective facts obtained by the Cambridge Public Schools and the rational inferences which may be drawn from those facts. The credibility and reliability of information obtained shall be weighed in determining the presence or absence of reasonable suspicion.

The employee to be drug and/or alcohol tested will be notified of the test requirement just prior to obtaining the urine sample or breath alcohol test. Advance notification of the testing will not be given, in any circumstances, to prevent the likelihood of urine sampling tampering.

The testing officer will maintain the sterility of the sample and the integrity of the sampling process, by executing a chain-of-custody process for the sample given and all related documentation.

If an employee refuses to submit to a drug and/or alcohol screening test, under the agreement, it shall be considered insubordination warranting discipline under a just cause standard.

A result of .02 as a breath alcohol level will be sufficient for a positive confirmatory alcohol screening test.

An employee with a positive confirmatory drug and/or alcohol screening result will be suspended or discharged from employment under a just cause standard. An employee with two (2) positive confirmatory drug and/or alcohol screening results will be discharged from employment.

Nothing in this provision shall preclude the Cambridge Public Schools from disciplining or discharging an employee under a just cause standard for any misconduct engaged in by him/her collateral to the use of a controlled substance or the abuse of alcohol (e.g., assault and battery), provided that the fact of a positive screening result for a controlled substance or alcohol may not be used in any way in proving such misconduct.

An employee who tests positive for a controlled substance and/or alcohol shall be medically evaluated, counseled and treated for rehabilitation as recommended by the employee's personal medical provider.

An employee who completes a rehabilitation program will be retested randomly once every quarter for the following twenty-four (24) months. An employee who tests positive during the twenty-four (24) month period shall be subject to disciplinary action, up to and including discharge from employment.
