SUPPLEMENTAL INFORMATION: Integration Partners

Purpose: Upgrading Cambridge Public Schools Phones from analog phone lines to the City wide standard of Voice over IP (VoIP) phones.

Amount of Contract: \$395,480.56

Description/Scope of Services:

Integration Partners (IPC), working with Cambridge Public School (CPS) Information, Communication & Technology Services (ICTS) Team and City IT, will upgrade all district analog phone lines to Voice over IP (VoIP) phone system. This will bring CPS to the city standard for phones systems. IPC will install on infrastructure needs as gateways and licenses for each location. The infrastructure piece of this is to install a gateway appliance that allows the new VoIP system to access each schools PA system for announcements.

ICTS Technical Services team and City IT will do all the programming and installation of all the phones throughout the location.

The locations that are currently on the upgrade list are: Amigos, Baldwin, Cambridgeport, Fletcher Maynard, Graham and Parks, Haggerty, Kennedy Longfellow/VLUS, Longfellow Building (Tobin), Morse, Peabody/RAUC, Russell Field (Athletic Facility)

CRLS, King/PAUS, King Open/CSUS, and Administration are already converted over to VoIP phone systems.
