Dear Parents/ Guardians,

In order for a chorus to work well I need a commitment from you and your child that they will come to rehearsals on time and with consistency. If students miss more than two rehearsals, they jeopardize their ability to sing with the Morse Morning Singers in the winter concert. Feel free to contact me with any questions or concerns via e-mail - kgraeber@cpsd.us, or stop by the music room before or after school.

-Mrs. Kelly Graeber

My child _____, grade _____ room _____, would like to join the Morse Morning Singers. My child agrees to come to rehearsals and be an active participant in the group!
