Dear Guidance Counselor, Advisor or Business Department Chair,

At Indiana State University, we understand your seniors are beginning the challenging task of finding the right university and field of study. To ease the admissions process and create opportunity, we want to make your students aware of the Gongaware Scholarship—one of the most prestigious financial awards on our campus. Since 1999, The Gongaware Center for Insurance and Financial Services has provided access to top internships and placement while preparing scholars to become successful leaders in the insurance, risk management and financial services industries.

In addition to taking part in a four-year career and professional development leadership program, we offer our scholars support in the amount of:

- ◆ **\$9,000 per year scholarship** (valued at \$36,000 over four years)
- ◆ \$3,000 professional development account (may be used for study abroad and/or other leadership purposes)

Eligible students must meet at least one of the three following qualifications:

- ◆ Earn a minimum cumulative GPA of 3.5 on a 4.0 scale
- ◆ Achieve a ranking in the top 15 percent of their high school graduating class
- ◆ 1140 SAT (Evidence-Based Reading and Writing and Math) or 23 ACT

Additionally, in order for students to apply for the scholarship, they must first be accepted to ISU by December 1

We are accepting nominations for the scholarship through our website. Once we receive the nomination, we will contact the student directly to explain the scholarship application process in more detail. **Please make every effort to nominate students no later than November 12th.** Please go to: www.indstate.edu/gongaware and click the "Nominate a Student" button.

Lastly, we have enclosed a flyer on the scholarship to inform your seniors of the Gongaware Scholarship. **Please copy as needed and display this flyer in highly visible areas**, encouraging any students interested in studying business to visit our website at: www.indstate.edu/gongaware to view more information and apply.

If you have any questions, feel free to contact us at 812.237.2442 or at gongaware@indstate.edu.

Sincerely,

Rebecca A. Wray
