## Virtual Clubs and Athletics

## Are BHS Clubs and Athletics still Active?

Absolutely! We have the most recent activities and updates straight from our amazing advisors!

### Athletics

#### Track and Field

That the track team is practicing in full force! We have team workouts MWF that all kids can join. They just need to click the link posted to the classroom on those days. No equipment and very little space needed. We also have many fun team activities and challenges posted on the website. The CIAC has not canceled the season, so we are practicing under the assumption that

we may enjoy one or more competitions this year! Also, we are enjoying each other's company and social interaction in a way that is more fun than just school work (not that that is not fun). Mr. Mishriky would love to hear from all of his athletes via Classroom or email @ [mmishriky@boltonct.org](mailto:mmishriky@boltonct.org).

The season has not officially been cancelled so we are working and staying in shape in the event that we get to play. There are challenges and activities on the website each week and we are meeting virtually each Friday at 3. Mr. Jodoin's email is [ajodoin@boltonct.org](mailto:ajodoin@boltonct.org).

## Softball

Coach Werner has been working with coach Tom St. Louis on the BHS spring sports website. They have been posting weekly practice schedules that include articles and videos to help with strength and conditioning as well as drills to improve specific softball skills. They have also been meeting with the team once a week to check in on how their practices have been going as well as participate in team-building activities together. Our website is below.
