

Dear BHS Community,

I want to once again thank all of you for great cooperation as we negotiate our way through distance learning. We are constantly reevaluating our plans and I'm appreciative of the feedback many of you have provided. Please stay in touch with your children's teachers and encourage them to work daily and communicate with their instructors.

Here are some key reminders:

- 1) April 1st was the end of the third quarter. As in the past, this means this is the last day for assignments to be part of the third quarter grade. This does not mean grades are finalized. Teachers will work this week and next to grade and finalize student work. Students should be in touch with their teachers regarding any missing work.
- 2) Our original timeline would have provided opportunity for guidance staff to receive, finalize, and post third quarter grades prior to the April break. Since we shifted a week, final grades for quarter three won't be available in PowerSchool until after break. You will receive communication from our guidance team when this is accomplished.
- 3) Please continue to monitor google classroom with your child and reach out to teachers as needed. We appreciate your support encouraging hard work and academic integrity.
- 4) Friday, April 10th, is a holiday with no school. Additionally, BHS will be closed during the week of April 13th. Although students are encouraged to use this time to catch up on schoolwork, no specific coursework will be assigned to be accomplished during the vacation.

Please reach out to me with any questions you have.

Have a safe, healthy, and restful weekend.
