

Dear BHS Families,

As we end our first week of Distance Learning at Bolton High School, I wanted to thank all of our students and teachers for a great first week. Although this is a steep learning curve for us all, we are off to a strong start and I'm grateful for all of the hard work. Here are some important items:

- 1) If you have critical need for a Chromebook at home, contact Dean of Students, Christine Johnson – [cjohnson@boltonct.org](mailto:cjohnson@boltonct.org)
- 2) School grounds are closed to everyone.
- 3) Students need to check their Google Classroom several times during the day and stay in touch with their teachers.
- 4) We WILL have April vacation as planned.
- 5) Students who have not been completing their online work will be marked absent in PowerSchool. Please check attendance in PowerSchool on Tuesdays and Thursdays. If students are marked absent, they should check with their teachers to see what is missing.
- 6) There will be NO SAT or science test this year for our juniors.
- 7) We are developing a plan for AP testing, CAPSTONE, and other graduation requirements.
- 8) Students should take advantage of online meetings and office hours if they are available. These meetings are not required but can be very helpful.

Thank you again for all of your hard work supporting students and teachers doing these challenging times. Please let me know if there is anything I can do to assist you.

Have a nice, relaxing, and healthy weekend.

Sincerely,  
Joe Maselli
