

# Sonora Broncos Football Camp

July 27-29, 2020  
Hosted by Coach Sherrill

Bronco Football Camp is designed to teach the essential fundamentals of football. The camp will target all skill levels. Even if your son is unsure about football, I strongly encourage you to sign him up. We will take campers through drills designed to improve footwork, hand-eye coordination, throwing/catching mechanics, proper running technique and many other sports related movements. Participation will also bolster such traits as teamwork, leadership, good work ethic, and a positive attitude. Campers will be introduced to proper weight room training techniques and weight room safety procedures. Every day will end with a fun activity such as speedball as well as a quick talk from a member of our coaching staff touching on subjects such as nutrition, the importance of setting goals, and other topics relative to young student athletes. Make sure your camper has a pair of good running shoes or cleats. We will provide everything else.
