

NEW SALEM/WENDELL SCHOOL COMMITTEE

STUDENT LATE NIGHT OR OVERNIGHT TRAVEL

All student trips which include late night or overnight travel must have prior approval of the School Committee. Initial approval by the School Committee is required before engaging students in fundraising activities. The School Committee will also consider the educational value of the trip in relation to the cost prior to granting initial approval. Overnight trips should offer significant educational benefits to students that clearly justify the time and expense of the trip. Such trips should be appropriate for the grade level.

Final approval will not be granted until all preparations for the trip have been arranged including, but not limited to, all logistical details involving transportation and accommodation arrangements. The School Committee requires that final approval be sought no less than 30 days prior to the scheduled trip dates.

Teachers and other school staff are prohibited from soliciting for privately run trips through the school system and in the schools. The School Committee will only review for approval school-sanctioned trips. The School Committee will not review or approve trips that are privately organized and run without school sanctioning.
