Survey Results

The 2021 Family and Community Survey was conducted from May 7, 2021 to June 4, 2021. We are required by state law to conduct outreach and seek feedback from a broad and diverse range of parents, other individuals, and organizations in the community regarding their experiences with each school.

A summary of the district's 2021 Family and Community Survey can be seen here:

District Assessment Results

Students took an abbreviated version of the Washington State Smarter Balanced Assessments in fall 2021, which was required by the federal Department of Education. Due to the abbreviated nature of the assessment, there is no comparison data available. Standard state testing will resume in spring 2022.
