November 10, 2021

Dear Parent & Guardians:

This afternoon, the District was notified that a PA Commonwealth Court overturned the State Mask Mandate. Subsequently, the Pennsylvania Department of Education informed the school district that the Governor will appeal this decision, triggering a stay of the Court’s ruling and keeping the order in effect. The Pennsylvania Department of Education also informed Districts to continue observing the school masking order throughout the court’s proceedings. Therefore, mask requirements remain in effect.

We appreciate your patience and understanding and will update our school community as soon as the District receives more information.

Respectfully,

Douglas Wagner
Superintendent
