April 29, 2021

Dear Parents/Guardians,

The Pennsylvania Department of Education and Pennsylvania Department of Health recommend that medium schools with 4 to 6 cases of COVID-19, within a rolling 14-day period, consider closing the school for 1 to 2 days.

Due to the current case count, the Wilson Area Intermediate School has reached the medium school threshold for a targeted closure. Wilson Area Intermediate School will implement a 3-day targeted school closure for Friday, April 30, 2021 through Sunday, May 2, 2021. During the targeted closure, the building will be closed to all students and staff for cleaning. Individuals who have been identified as close contacts will be contacted by the school and/or Pennsylvania Department of Health with directions for quarantine and symptom monitoring.

On Friday, April 30, 2021, Intermediate School students should participate in live synchronous instruction. Students must log in to their virtual homeroom between 7:35 am and 7:52 am for attendance. Students should then follow their daily class schedule and teacher direction for the remainder of the day.

Wilson Area Intermediate School will reopen for students and staff on Monday, May 3, 2021.

Thank you all for your continued support and understanding.

Sincerely,

Doug Wagner
Superintendent
