RE: Elementary/Middle/Secondary Pupil/Teacher Ratios

To comply with the Virginia Standards of Quality, the following pupil/teacher ratios are being reported for our school division.

Elementary/Middle/Secondary School Pupil/Teacher Ratios Grades K-12

<u>School</u>	<u>Enrollment</u>	<u>Number of Classroom Teachers</u>	<u>Pupil/Teacher Ratio without Resource Personnel *</u>
CES	388	21	18.5/1
EES	102	8	12.8/1
SES	342	19	18.0/1
RMS	442	24	18.4/1
RHS	600	45	13.3/1

* The pupil/teacher ratio (excluding resource personnel) is calculated by dividing the number of students enrolled in each grade level by the number of full-time equivalent teachers within each school and does not include art, music, physical education, Title I, and Special Education teachers.
