

# School Cancellation/Late Start

---

There may be times due to inclement weather or other unexpected events that will require school to be delayed or cancelled at Venture Academy. Venture Academy's top priority is the safety of faculty and students. If the decision is made to cancel school we will utilize the following systems to provide notification:

- Email
- Message on our main phone line
- PowerSchool
- Venture Webpage
- Venture Facebook page
- KSL news station

In the event school is cancelled, Utah State law requires the day to be made up before the end of the school year.
