Dr. Connelly reported that the point of sale system for the cafeteria is in its second week of operation. This system allows parents to pay for lunches on line. Comments and reaction has been very positive.

Liaison & Subcommittee
On April 6th (Annual Town Meeting) the FY14 school budget passed as well as all of the submitted warrant articles submitted by the school department. SusanMary acknowledged the Committee, Dr. Connelly and his team and the people of Harvard for their continued support of the schools.
The Memorandum of Understanding between the School Committee and the Board of Selectman for HCTV has been approved with the exception of the executive summary. The document is being collated and will be signed by Lucy Wallace and SusanMary Redinger.

The Middle School drama club presented 2 short plays this weekend and chose to perform “A Simple Task” at the Drama Festival on April 27th.
SusanMary Redinger wanted to clarify that the approval of the bus bid was done by choosing the reasonable and responsive low bidder. Dee Bus Services was the only choice presented.
The School Committee is scheduled to meet with the Student Council on April 26th at 7:00 a.m. The HES School Council is scheduled to meet on April 23rd. The Aladdin production done at HES this past weekend was phenomenal. The level of talent is amazing. The Harvard Energy Advisory Committee is planning a ribbon cutting for the solar panel project on Monday, April 22nd.

Maureen Babcock reported that DEAC published their 2nd newsletter and the Devens community 2013 Education Survey is underway, she will bring results when they are done.

Field Trip Approval - Philadelphia
Patricia Nilan, Bromfield’s Community Service Club Advisor, requested approval for eight students to participate in a community service/learning experience in Philadelphia. The students will travel from May 22nd through May 27th. The committee was reluctant to approve the trip given that the students were missing 2 days of school. Since the trip is being co-sponsored with North Middlesex High School, TBS has no control over the dates of the trip. In the end the Committee agreed to support the trip this year, but will expect the dates to not interfere with school in the future.

Kirsten Wright made a motion and Patty Wenger seconded to move that we approve the service learning trip to Philadelphia, PA as outlined in the packet.

The Committee will approve the apportionment of funding from the two funding sources in late June 2013.

Declining Enrollment Subcommittee Report
Bob Sullebarger introduced the Declining Enrollment Report as a working draft that contained lots of data to be considered. The Committee felt that it needed more time to review the document and decided to hold an off cycle meeting on April 24th at 9:00 a.m.
School Committee Approval of 2013-2014 School Choice Opening
The Committee agreed that in the future the number of School Choice openings will be made before the budget is determined so that policy not money drives the decision. For this year the committee budgeted for 77 school choice openings at $385,000.

Kirsten Wright made a motion and Bob Sullebarger seconded to move that for this coming school year 2012/2013 we add School Choice students in the following grade
