2014/2015 School Calendar Review
Dr. Connelly recommended that the half day scheduled on December 24, 2014 be reconsidered due to the potential for high absenteeism on that day resulting in the day being less productive than it should be. Dr. Connelly also recommended that the School Committee reconsider not conducting classes on August 29, 2014 the Friday before Labor Day weekend to allow the switch of a half day (December 24th) for a full day (August 29th) that will result in a gain of 3 additional hours of instruction.

**Hildreth New Personnel Reassignment Request**
Due to the elimination of one of our kindergarten positions we also have a .5 kindergarten aide position in the FY15 budget that will not be needed. Dr. Dwight has requested the funding for this kindergarten aide position be used to hire two (2) three hour a day lunchroom and recess aides. The Committee asked Dr. Connelly to create a job description for this position and come back to the Committee for approval.

**Finance Report**
Lorraine Leonard reviewed the FY14 budget to date. There has been a substantial change to the maintenance account due in large part to the fuel line item being over spent by $30,000. The current budget surplus after updating the report with the $220,885 in circuit breaker relief funds is $52,809. Dr. Connelly will bring recommendations back to the Committee on how to best spend the surplus.

**Commentary**
Kirsten Wright – Sometimes education happens outside the school walls. Admittedly, inside the school walls December 24th may not be the most educational day, but outside the school walls it may be very educational. We are all part of a full community, and it is important that we help our students realize they are part of the bigger community. It is about the kids and it is the respectful thing to do. It shows we keep our promises even when it is inconvenient. The Drama Festival was fabulous.

Patty Wenger – Thank you Kirsten for saying all of that! The Technology Plan presentation was amazing, very impressive. Nice way of moving forward.
Bob Sullebarger – Joe’s inventory of accomplishments was stunning. Congratulations to Joe on his leadership and service to the town of Harvard. Is looking forward to the French Trip presentation. It was transformative for my daughter.

Jennifer Bedford – Agreed with what Bob said about Joe, has had such a positive experience working with Joe on the Principal Search.

Kirsten Wright made a motion and Patty Wenger seconded to adjourn the meeting at 9:30 p.m.

Respectfully Submitted:
