The Harvard Public Schools community, dedicated to educational excellence, guides all students to realize their highest potential by balancing academic achievement with personal well-being in the pursuit of individual dreams. The students engage in learning how to access and apply knowledge, think critically and creatively, and communicate effectively. They develop the confidence and ability to understand diverse perspectives, collaborate, and contribute to their local, national and global communities.
## Schedule

Building Project Updates today at 6:30
SITE LOGISTICS PLAN
PHASE 1: April 2019 – February 2021

Keys To Success:
- Maintain full access to the existing school
- Minimize impact on staff and student disruptions
- All construction traffic via new access road
- Consideration for close residential neighborhoods
- Coordinate with State Highway for curb cuts
- Erosion control along entire site gate perimeter
- Truck wash stations to be present at all gates
- No environmental impact to the wetlands

Massachusetts Avenue

Maintain Sidewalk
Emergency Vehicle Access

Proposed Site Office
Construction Laydown Area
Recycling
New School Construction
Site Fence and Erosion Control
Access Road

No Construction Traffic
Emergency Vehicle Access

Fairbank Street
Wetlands

Hildreth Elementary School
Harvard, MA
