

**CREST USD #479**  
**ACKNOWLEDGEMENT OF RISK OF INJURY**

I acknowledge that I am aware that participation in sports or cheerleading places me at risk of injury or death. I am aware that strenuous exercise and the use of various items of exercise and fitness equipment are potentially dangerous activities, and I am aware that I should not participate without first consulting a physician. It is my choice to participate in sports or cheerleading, and I do so with knowledge of the danger involved and hereby agree to accept any and all risk of injury or death.

I understand that the school district provides catastrophic insurance, however, the policy has a \$25,000 deductible for which I am responsible (6th grade students are not covered under this policy).

We do hereby give permission for any medical emergency services that may be required in our absence if we are not able to be contacted.

I have carefully read this agreement and fully understand its concern.
