

CCSD Superintendent Goals – 2022/2023 School Year

I will lead the Central Columbia School District in establishing a Framework for Growth. We will do this by achieving the following objectives:

- We will update our staff monitoring process to ensure that all staff are meeting district expectations.
- We will create a system to improve data collection, analysis, and tiered support(s).
- We will clarify district wide communication systems.
- We will create a structured wellness program for employees.
- We will expand internal professional growth opportunities.
- We will develop a long-term financial plan.
