

Central Columbia School District
ACT 48
Professional Development Committee

The ACT 48 Committee is a state-mandated committee formed to ensure that the district's Professional Education Plan is designed to achieve the district's goals and that it is aligned with our strategic Plan. The committee is responsible for setting clear goals for professional education, creating a delivery system for approved professional education, and reviewing the Professional Education Plan annually. The ACT 48 Committee has representation from teachers, administrators, and community members.

The Central Columbia School District's ACT 48 Committee is working to support our continued efforts to provide on-going, professional learning within our district. Our ACT 48 opportunities continue to increase each year.
